

I'm against Low Power FM (LPFM). KLOVE radio has literally redirected me to the Lord and His work. The possibility of losing K-LOVE to another LPFM broadcaster is frightening and NOT in the best interest of society and my community. K-LOVE broadcasting is "listener friendly" and something our entire family can relate to and sing along with. Please do NOT allow the removal of K-LOVE from any area served by K-LOVE. Thanks, Scott Stubblefield
